

To Whom it May Concern:

I am writing regarding the NAB petition to prohibit XM Radio from offering Instant Traffic & Weather to its subscribers.

I benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what you are permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that you demand and deserve.

Thank you for your time.
